LV= General Insurance is proudly supporting The NHS Rising Star Award

LV= is one of the UK's largest personal lines insurers, with more than 7 million customers, around 4,000 employees and a wide range of general insurance products, including car, home, pet, travel, landlord, breakdown, and home emergency insurance.

Our vision is to be Britain's best loved insurer, so throughout our 170-year history we have always put our people and our customers at the heart of everything we do, and for over 30 years we have proudly supported the Royal College of Nursing (RCN) and its members, so to be a part of the NHS Parliamentary Awards is a true honour.

We're here to look after what you love, because what matters to you, matters to us too.

"We're extremely proud to be sponsoring this year's NHS Parliamentary Awards. Since its foundation in 1948, the NHS has always worked incredibly hard to look after and protect the millions of us who need their help each and every year. At the heart of the NHS is its people and we are therefore delighted to be able to celebrate the rising stars of the NHS - those who among younger members of staff and volunteers are helping to shape the NHS for generations to come". Steve Treloar, Chief Executive Officer, LV= General Insurance
